

# Sample Press Release

**FOR IMMEDIATE RELEASE**

[Date]

[City, State] – In observance of Earth Day 2024, [Name of Congregation] will be hosting a special Earth Day Vigil on April 22nd, 2024. This event, titled "A Liturgy for Repentance, Thanksgiving, and Action," aims to bring together community members in reflection and action towards healing our planet.

With a focus on repentance for the misuse and exploitation of the Earth, the vigil will provide an opportunity for individuals to acknowledge our collective responsibility in caring for creation. Drawing from the social teachings of the Evangelical Lutheran Church in America (ELCA), participants will engage in prayers, meditations, and music centered around environmental stewardship and the need for reconciliation with the Earth.

As part of the vigil, there will be moments of reflection on the impacts of human activity on the environment, as well as a call to action for sustainable practices and advocacy for environmental justice. Through this event, [Name of Congregation] seeks to inspire hope and renewal, emphasizing God's reconciling power and the potential for positive change when communities come together in solidarity.

The Earth Day Vigil will take place at [Location] on April 22nd, 2024, from [Start Time] to [End Time]. All members of the community are invited to attend and participate in this meaningful event.
